General Release

Child First Name: _____ Child Last Name: _____

I, _____, the legal guardian of _____
(Print Legal Guardian's Name) (Print Child's Name)

Hereby release *The Center: A Drop-In Community Learning & Resource Center* program, and any organization with which it might contract for services, from any and all liability for any injury that might befall my child during *The Center: A Drop-In Community Learning & Resource Center* programs and activities. I understand that this program is educational and recreational and I hereby certify my child is in good health and may participate in all aspects of program activities except as stated in writing and included on this form.

I give permission for my child to participate in:

- My child care provider, has my permission to transport my child, if necessary, when my child is in care.
- Field trips either walking, in the van or bus.
- Computer classes and I will review the Parent Handbook policies and procedures and discuss the policies and the acceptable use of the computer and internet with my child/children.

I authorize the New London Public School District to give any and all medical and/or educational records concerning my child to *The Center: A Drop-In Community Learning & Resource Center*. I understand that this information will be used to meet state health requirements and to evaluate the academic and fitness needs and performance of my child. I further give consent to *The Center: A Drop-In Community Learning Center* to assess the impact of programming on my child's academic progress and social development through research and use of evidence based practices.

I authorize *The Center: A Drop-In Community Learning & Resource Center* the right to use photographs and other records of my child's likeness, voice, and sounds during his/her participation, and to reuse or license the right to reuse such photographs and recordings of his/her name, likeness and biography, in all media and in all forms, including, but not limited to, his/her participation in programs and activities, without compensation to me or any limitation whatsoever.

Behavior Management- We promote a positive system of behavior management based on praise, humor, modeling, redirection, and choice. If a child does not respond to these strategies, the staff member will issue a verbal warning. If the behavior continues, issue a second warning and indicate the consequences if the behavior continues. After the second warning staff may:

- Initiate a time-out for a period of time that is age-appropriate (number of minutes not to exceed the age of the child)
- Limit participation in activities
- Revoke privileges
- Contact the parent

The following behaviors will not be tolerated: fighting, stealing, vandalism, intimidation, extortion, and defiance. Consequences for such behavior may include:

- Suspension from the program
- Reparation of damages
- Dismissal from the program
- Log any intervention in the participant's file.
- Following any disciplinary intervention, ask the child to identify the behavior that warranted the intervention as well as appropriate behaviors to use next time.

Methods of Discipline:

- Children will be encouraged to think of solutions or alternatives for their own misbehavior. This enables the child to accept responsibility for their own actions.
- Children will be redirected from aimless, inappropriate behavior to a more constructive, successful experience by using appropriate choices.
- Children will be removed from a provoking situation. This technique gives children the opportunity to gain control of him/her self. If the child becomes out of control and/or poses a danger to him/her self or other children, he will be sent to the Head Teacher or the Executive Director. The objective is to preserve the child's self-esteem, not to exploit or demean the child. The child decides how long he/she needs before returning to the group.

I authorize *The Center: A Drop-In Community Learning & Resource Center*, to have any and all necessary medical care provided to my child in case of an emergency. I understand that I will be contacted as soon as possible, should such emergency arise.

In order to provide the best educational experience, school personnel must understand your child's health needs. This form requests information from you (Part I) which will also be helpful to the health care provider when he or she completes the medical evaluation (Part II).

State law requires complete primary immunizations and a health assessment by a legally qualified practitioner of medicine, an advanced practice registered nurse or registered nurse, licensed pursuant to chapter 378, a physi-

cian assistant, licensed pursuant to chapter 370, a school medical advisor, or a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base prior to school entrance in Connecticut (C.G.S. over

If a child has difficulty following The Drop's behavior expectations, Drop staff will:

- remind the child of expected behavior.
- review the Behavior Agreement.
- Notify Parents/Guardians with a written and verbal notification.

If a pattern of inappropriate behavior continues, The Drop staff will work with the child to set specific, appropriate behavior goals and outline consequences for continued inappropriate behavior.

If inappropriate behavior of any kind (such as physical or emotional violence, bullying, or possession of prohibited items) is not brought under control within two (2) weeks or less it will result in immediate dismissal from the program and all fees paid will be forfeited. The parent/guardian is responsible for picking up a dismissed child immediately.
